1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. In the specification:

Page 1, line 1, insert –This is a Divisional application of US 09/861,393,
filed 5/18/01 now US 6,689,893.—

3. The following is an examiner's statement of reasons for allowance: This is a divisional application of US 6,689,893. The claims presented are narrower than those as patented and the issues of patentability are the same as established in the parent case. An updated and expanded search has revealed no closer prior art. As such, the claims are determined to be allowable for the reasons as established in the parent.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
